

WCC Annual Holiday Party & Gift Auction

Please join us for an afternoon of food, fun and friends!

We'll provide the main dish and one special gift. Each attendee/couple should bring one nice gift and one silly or gag gift for the auction, a side dish or dessert and something to drink (alcohol is fine if that is your byob of choice).

If you've never attended our gift auction, you're in for a treat! Here's how it works:

Everyone brings two gifts, one nice and one silly. Gifts do not have to be dog-related. Gift values should be between \$10 and \$20 (for the "nice" gift—can be less for the silly one—or can cost you nothing).

We'll place all the gifts, along with the club gift, under the tree. Everyone can bid on as many gifts as they want, you never know what you're bidding on!

Do you need some ideas for your silly gift? Here are some of our past greats from the past few years:

-a Weim coloring book made from line art of one of our members photos

-a make your own dog toy kit

-a Collie-flower (a plastic collie toy cut up and put on flower stems)

-pre-tested (chewed up and demolished) dog toys and chews
